

## Harriet Young – Graduate Planner

### Qualifications: BSc (Hons)

Harriet joined PowerHaus Consultancy in November 2017 as a Graduate Planner having achieved a BSc 2:1 degree from the University of Plymouth in Geography.

At PowerHaus she assists with all research, preparation of applications, discharge of conditions and NMA/MMA applications, drafting applications and supporting reports. She is required to ensure that all legislative changes both emerging and adopted are reviewed analysed and understood.

Harriet will be studying for an MSc in Spatial Planning (RTPI and RICS accredited) at the University College London in September 2018. Once qualified she will obtain her letters to practice as a planner.

### Sample of Key Projects:

#### Max Barney Developments

Application for the redevelopment of an employment site in the London Borough of Islington. This includes the demolition of the existing five storey building and construction of a seven storey building. This includes the strategy for lawful implementation of an existing consent and discharge of pre-commencement conditions.

#### SJT Development Limited

Preparation of planning statement for the development of 9 homes on a disused site near Loughton, Essex.

#### Southend United Football Club

Application for advertisement consent for the display of two advertising banners on The Pier, Southend-on-Sea to promote the development proposals for the relocation of Southend United Football Club to Fossetts Farm.

#### Martin Dawn PLC

Ongoing monitoring of the Local Plan preparations of a South Essex Local Planning Authority with regard to client's land interests.
